“**Distribution System**” has the meaning as defined in Condition 1 (Interpretation and Construction) of to LCC Power Ltd T/A Go Power’s Electricity Supply Licence.

Application

The Scheme will apply to any electricity supply point registered to LCC Power Ltd T/A Go Power (“**LCC Power Ltd T/A Go Power**”) where a customer has never entered into a contract with LCC Power Ltd T/A Go Power, for example where they have moved into a property where electricity is already provided by LCC Power Ltd T/A Go Power and they have not agreed to a contract in advance. The Scheme will also apply to a customer who has decided not to agree a new supply contract (on the expiry of such a contract).

For any domestic customer; who has never entered into a contract, who moved into a property where electricity is already provided by LCC Group Ltd T/A Go Power, a contract hasn’t been agreed in advance and the customer has decided not to agree a new supply contract (on the expiry of a previously signed contract) will roll onto the standard evergreen contract. As a result the standard terms and conditions of electricity supply would apply, not the Deemed Contract Scheme.

Terms and Conditions

- Where LCC Power Ltd T/A Go Power supplies electricity to a Customer under a Deemed Contract, no termination fee or other compensation will apply solely due to the Customer terminating the Deemed Contract. Notwithstanding the foregoing the Customer will remain liable for any consumption or charges outstanding at the premises under the Deemed Contract until such charges are fully discharged.
- **Point is Applicable to Commercial (Non-Domestic customers) Only** - The terms and conditions that will apply to a Deemed Contract are the same as those applicable to a contract agreed between parties for the same product, except that the charges made to the customer will be calculated with reference to deemed rates. The standard terms and conditions and the method for calculating deemed rates are not unduly onerous and are available upon request from LCC Power Ltd T/A Go Power, as per the contact details below.
- LCC Power Ltd T/A Go Power will provide a copy of the Deemed Contract within a reasonable time upon request.
- Where a Customer intends the premises to be supplied with electricity under a electricity supply agreement with LCC Power Ltd T/A Go Power or any other electricity supplier, the Deemed Contract will continue to have effect until LCC Power Ltd T/A Go Power or the other electricity supplier, as appropriate, begins to supply electricity to the premises under a signed electricity supply agreement.
- Where LCC Power Ltd T/A Go Power supplies electricity to a customer’s premises under a Deemed Contract all reasonable steps will be taken to provide that customer with a notice:
 - setting out the principal terms of the Deemed Contract,
 - provide that Customer with a notice confirming that the Customer’s premises is being supplied under a Deemed Contract,
 - informing the Customer that contracts with terms and conditions that may be different from the terms and conditions of Deemed Contracts may be available from LCC Power Ltd T/A Go Power,
 - and to enter into a contract with the customer as soon as reasonably practicable.
- The deemed rates applicable to a particular site, which will necessarily vary between sites as they include charges associated with the profile of the site (the level of which is set by the relevant Network Operators), will be set out by LCC Power Ltd T/A Go Power in writing to the customer.

- Where a meter at a site is not read immediately before the time at which the customer took responsibility for a site, LCC Power Ltd T/A Go Power reserves the right to estimate the quantity of electricity supplied to the site (based upon the data it holds) until the time that the meter is read or the customer ceases to take supply of the electricity or LCC Power Ltd T/A Go Power ceases to supply electricity to the premises under the deemed contract.
- If the electricity supply point is subject to a Last Resort Supply Direction then the Deemed Contract is automatically terminated from the date the Last Resort Supply Direction comes into effect.
- This Scheme is governed by the laws of Northern Ireland, and the courts of Northern Ireland shall have exclusive jurisdiction in relation to this Scheme.

LCC Power Ltd T/A Go Power's obligations

- The law and LCC Power Ltd T/A Go Power's electricity supply licence provide that it must act in a certain way in relation to Deemed Contracts. LCC Power Ltd T/A Go Power Energy's processes are designed to ensure that these obligations are met.
